MERRY CHRISTMAS FROM THE GCAA

The D.C. Chapter of the Gallaudet College Alumni Association will hold its annual Christmas program on December 14, at 7:30 p.m. in the Alumni Room of the EMG Memorial Library. This program is open to all alumni of Gallaudet. Please bring \$1.00 worth of canned or dried foods for needy family food baskets. Christmas songs and refreshments will be offered.

D.C. WHEELCHAIR BASKETBALL GAME TO BE PLAYED AT GALLY

On Sunday, February 5, 1978, Parents for Deafpride (an affiliate of Deafpride, Inc.) will sponsor a D.C. Wheelchair Basketball Game. Competing for the title will be the Capital Smokers vs. the Sharpe Dolphins.

The game will be held in the Gally Gym at 2:00 p.m. Donations for admission are: \$3.00 adults, \$2.00 students, and \$1.00 children (under 12). For more information contact Diane Sumes, 575-4770.

INFORMATION PLEASE...

The Graduate School asks that other offices on campus which receive requests for information on graduate programs here at Gallaudet forward those requests directly to the Director of Admissions and Records in HMB (not to the Graduate Dean's Office). Many thanks.

PERFORMANCES AT FOLGER THEATRE TO BE INTERPRETED FOR THE DEAF

The Folger Theatre Group producer, Louis W. Scheeder, announced the addition of a significant new feature to the Group's season. A series of performances with sign language interpreters for the deaf will be scheduled throughout the year. The next scheduled performance will be January 19, at 8:00 p.m. for their production of The Two Gentlemen of Verona. Tickets are available from the Folger box office and can be charged by calling 546-4000 after noon daily. For more information on the interpreting project call 543-0111.

ENERGY CONSERVATION INFORMATION

If you have an electric water heater in your home and have a dishwasher, set the thermostat to 140°. If you have no dishwasher, 120° is sufficient for normal hot water use. That extra 20° rise in water temperature will cost you about 3/10 cents per gallon of hot water.

A hot water faucet dripping 60 drops a minute will waste 900 gallons of water a year. That's roughly 167 KWH of power costing around \$11.00 (4.1 gallons of oil or 557 cubic feet of gas). Remember you also have to pay for the water plus a sewer tax on the water that goes down the drain.

MSSD CHRISTMAS CARNIVAL AND PLAY

The MSSD Christmas Carnival and Play will be held in the lobby of the MSSD building on December 16th from 1:00 p.m. to 9:00 p.m. and December 17th from 12:00 p.m. to 5:00 p.m. For more information call 477-0375 (voice) and ask for Vivian Rice.
Come one! Come all!
